Weather Probabilities.—For the Middle Atlantic States warmer, fair weather, light variable winds, mostly southerly, and stationary or lower pressure.

A Wife Beater's Christmas Spoiled.—After a long and very dry Christmas yesterday and went to his home. After being to the house a short time something happened to depress him, when he walked into his wife's room, who was in a delicate state of health, and beat her until his wife was in a bleeding, out in the street. Complaint was made of Attorney's conduct, and he was promptly arrested and locked up. This morning, in default of the payment of a fine of \$25, he was sent to jail for six months. Of all seasons of the year, to a wife beater, Christmas is the most disastrous. It is a day of sorrow and distress, and a day of shame and disgrace. It is a day of sorrow and distress, and a day of shame and disgrace.

Police Notes.—Mrs. Ann McNamee, of Washington, who was arrested yesterday on the charge of stealing some clothing from the house of her brother-in-law, Mr. Thomas McDermott, in the city, and a hearing before the Mayor in the evening, and was sentenced to a term in jail. The accused, who claimed that the officers had beaten her by her husband's order, appealed from the decision of the Mayor, and a hearing before the Mayor in the evening, and was sentenced to a term in jail.

Alfred Arrington, arrested yesterday afternoon for beating his wife, who is the Mayor's daughter. He was fined \$25 and required to give a bond of \$100 to keep the peace for one year. In default of the payment of the fine he was sent to jail for six months.

The Market.—The market today was very quiet, and a few country produce were present, and those who were there had very little to sell. Indeed, the market had only a few supplies of vegetables and other articles. Prices remained about the same as last Sunday. The prices for poultry, which declined during the week, have, owing to the cold weather, returned to the price from which they fell—1½¢ per pound for turkeys and 50¢ per pound for chickens. As Christmas approaches the prices for butter and eggs have risen. Butter sold at 30¢, and 40¢ per pound and eggs at 30¢ per dozen.

Hebrew Feast of Lights.—The Hebrew feast of dedication, commemorative of the purging of the temple and the rebuilding of the altar after the Syrians had been driven out, began last night at sundown and will continue eight days. It is a joyous festival, and in ancient times the temple and all the private houses were lighted up with lamps for eight days, for which reason it is called the "Feast of Lights." There were services in the Synagogue this day last night. The lighting of the candles was by every member of the Hebrew community, and was a very pretty sight, and will be continued, according to custom, for eight successive nights.

The Delinquent Sureties.—The Court of Appeals in session at Richmond yesterday set aside the order denying the appeal in the case of Delinquent's sureties, and decided to take the matter under advisement again. The petition for an appeal from the decision of the Circuit Court of Alexandria, given in judgment against the city, will be retried. The city has one more chance, and it is thought by many that the appeal will be granted.

At the Ship Yard.—The prospects are favorable for the completion of the shipyard at the city. The keel for a new schooner for Capt. Redman, has already been laid, and it is probable for the building of a large three-masted schooner for parties in the North have been commenced. Captain Samuel English is taking about selling his steam tug, the Comet, and having a new and larger one built at the yard.

After the Sports.—At a meeting last night of the colored committee of nine, appointed at a mass meeting of colored voters held in the Third Ward a short time ago, to look after the interests of the colored voters, a sub-committee was appointed to visit Washington and request the removal of all persons holding office in the credit of Virginia and who are not citizens of the State.

Prof. A. Sardon, assisted by Prof. C. Glend, will give an experimental lesson at Miss Dashi's school, on Monday, December 19th, at 7 p. m. In speaking of this method the Cincinnati Commercial says: "By this system the pupil is set at once to speaking French, the French of familiar conversation, learning it the natural way as a child learns his mother tongue."

The Reform Club.—A largely attended meeting of the Alexandria Reform Club was held last night, at which Major Deane, of Loudoun, State Lecturer of Good Templars, and Rev. Dr. Paulson, of this city, made interesting addresses. The hall of the Club will be kept open tonight and during the Christmas holidays, and hot coffee will be served free to all who desire it.

Land Sale.—Mr. John Marshall of this city, has sold to Messrs. Lord & Hight, of Baltimore, a tract of timber land, containing 147 acres, in Fairfax County, near Telegraph Station, on the Alexandria and Fredericksburg Road, for \$1800 cash. Mr. Marshall's short time ago purchased this land at \$2800, and now sells it at a \$2,000 clear profit. A good investment.

Mrs. Margaret Whittington, an old and esteemed lady, died this morning at the residence of her son-in-law, James S. Douglas, Esq., after a long and painful illness. Her funeral will take place Monday morning next.
